*Ottawa TMG Users Group*

*11 January 2014*

# TMG Report Options

Click the Exhibits tab

Many options to include, position & resize exhibits

However, there is no provision to alter sizes of individual exhibits.

# Image Sources

---

- ❖ There is a variety of different sources for images:
  - ❖ Prints of various sizes
  - ❖ Negatives of various sizes
  - ❖ Digital images from scanners
  - ❖ Digital images from cameras
  - ❖ Digital images from the Internet
  - ❖ Digital images sent to you

# My Approach

---

- ❖ From the beginning I did not want to be confined to any one application resizing all images to a set size
- ❖ Each category of image requires a unique size, or range of sizes
- ❖ I chose to use an image editor to allow complete control over each individual image

# Advice

---

- ❖ A rule of thumb ~
  - ❖ If you are creating digital images from a scanner or camera, always adjust resolution to the **maximum** quality possible
  - ❖ You can always reduce the image size later
  - ❖ When editing an original image, **never** overwrite it with the edited version - more later
  - ❖ Resize = decrease from the original ~ never increase, as the quality will be degraded

# Image Editors

---

- ❖ There are several excellent image editors on the market
- ❖ My recommendations are:
  - ❖ ACDSee Pro 7 for Windows
  - ❖ ACDSee Pro 3 for Mac
  - ❖ Adobe PhotoShop Lightroom 5 for Windows & Mac
  - ❖ Apple Aperture 3 for Mac
  - ❖ GIMP 2.8.2 for Windows & Mac

# Image Editors

---

- ❖ A quick note about GIMP
  - ❖ Firstly, it's free for Windows & Mac.
  - ❖ It has layering capability, making it ideal for piecing together sections from census image pages.
  - ❖ 'Scale' is the function used to resize images.
  - ❖ This is material for a separate presentation.

# Image Editors

---

- ❖ There will not be sufficient time today to describe how to edit images (crop, perspective correction, exposure, contrast, blemish removal etc.). This is an entirely different presentation.
- ❖ The focus today is on **resizing** images for printed reports with TMG and publishing with Second Site.

# Advice

---

- ❖ After editing an image, should you **Save** or **Save As**?
  - ❖ If you **Save**, the original will be overwritten.
  - ❖ If you **Save As**, you will have the original and the edited version of the original.
  - ❖ Some image editors are non-destructive. ACDSee creates a subfolder called Originals; when images are edited, the original is placed in the subfolder, and the copy is edited. LightRoom creates a text file with all edits appended to the actual image.

# Suggested Image Sizes

Exhibit Type	Suggested Size (pixels) (longest dimension)
Head & shoulders and full body portrait	600
Family photos, casual or studio, 1-2 people	600
Family photos, casual or studio, >2 people	800
BMD certificates, Bible pages	800-1,400
Census pages, usually cropped	800-1,400
Maps	900
Repositories / Homesteads	600 / 800
Tombstones / Inscription detail	600 / 400
Objects (e.g. heirlooms)	400

# Suggested Image Sizes

---

The dimensions in the previous table are meant only as a guideline.

There will be exceptions, such as portraits in obituaries

Certificates downloaded from on-line services may not be as large as one would like.

Experiment and decide on sizes that please you.

Some examples follow, showing the resized images and how they look in published form using Second Site.

 **Frieda Ruth Palmer<sup>1</sup>**

Death\* He died on 23 May 1963 in **Moncton City Hospital, 135 MacBeath Ave., Moncton, Westmorland County, New Brunswick, Canada, 46.104977, -64.806150**, at age 73; cause of death was Coronary Thrombosis. The story I received during a phone call from my uncle Lorne was that my grandfather Arthur had gone to the city hospital for his annual medical checkup, during which all physical signs were good. He then went to the desk to pay the bill, when he collapsed and died instantly. Arthur and Ella were living at 42 Bromley Ave. in Moncton when he died.

Obituary (unknown newspaper): "Death of A.P. Walker - The death of Arthur P. Walker of Bromley Avenue in Moncton, occurred suddenly at Moncton Hospital Thursday. Born in Granite, Ontario (sic), in 1890, he was a son of the late George and Adelaide (Clarke) Walker. A retired CNR machinist, he was a member of the committee of stewards of Central United Church and a member of the IOOF.

He is survived by his wife, Ella Mae Townsend Walker; three sons, George L. of Montreal, Clyde A. of Calgary, and Lorne P. of Moncton, a sister Mrs. Marjorie Lamb of Vancouver; several nieces and nephews, seven grandchildren and seven great grandchildren.

Funeral service will be held from Cadman's Funeral Home Monday, May 27 at 1:30 p.m. with interment in Elmwood cemetery. The body is resting at Cadman's Funeral Home."

Funeral announcement (unknown newspaper): "Funeral for A. P. Walker - Funeral service for Arthur P. Walker of 42 Bromley Avenue, Moncton, a native and former resident of Granite, Colorado, U.S.A., was held recently at Cadman's Funeral Home, officiated by Rev. J.A. Berridge, pastor of Central United Church.

Members of the Central United Church Choir sang the hymns The Old Rugged Cross and In the Garden.

Pallbearers were R.C. Calpin, Lorne A. Blakney, Lester Power, A. B. Balsler, and IOOF members F.O. Steeves and Guy Chapman.

Interment was in Elmwood Cemetery, where Mr. Berridge conducted committal service.

Members of Prince Albert Lodge No. 26, IOOF, attended the service in a body and formed a guard of honor at the entrance to the funeral home and the cemetery. A service was conducted at the grave by Lawrence Powell, past noble grand, assisted by F.O. Steeves, past noble grand, as chaplain.

The service was largely attended by friends, relatives and business associates from Toronto, Port Elgin, Summerside, Campbellton, Amherst, Shemogue, Moncton and surrounding areas. \*16.17.18.5
